Linda,
 To one of the
 sweetest girls I've
 ever met, we really
 have a great time whenever
 we get together. Stay as
 cool as you are. Good luck in
 all you do.
 RMA "Ski"

Linda;

To a really sweet girl
 you're lucky to have caught
 a guy as great as Doug.
 You deserve him. So
 luck in everything.

Carol Phillips

Linda,
 To a kid whom
 I have really enjoyed last
 evening. Remember last
 year at the Blue Water Festival ???
 Oh well, we all got a taste of
 life and things in life and
 that was one of the best things.
 But of luck Always - Right?
 Love Badley &

Linda,

To a real swinger
 of a girl who passes
 Chemistry like a whiz.
 Good luck in the
 future. Ron "71"

Linda
 To a girl with
 something going
 for her. Personality
 & character. You
 will never lack
 for friends. Good
 luck in all & best
 of everything for
 you & Doug. Bless
 you. Nancy.

Linda,
 As a very sweet
 girl with a personality
 by nature. I hope
 luck in the future.
 P.S. Love
 & friendship?

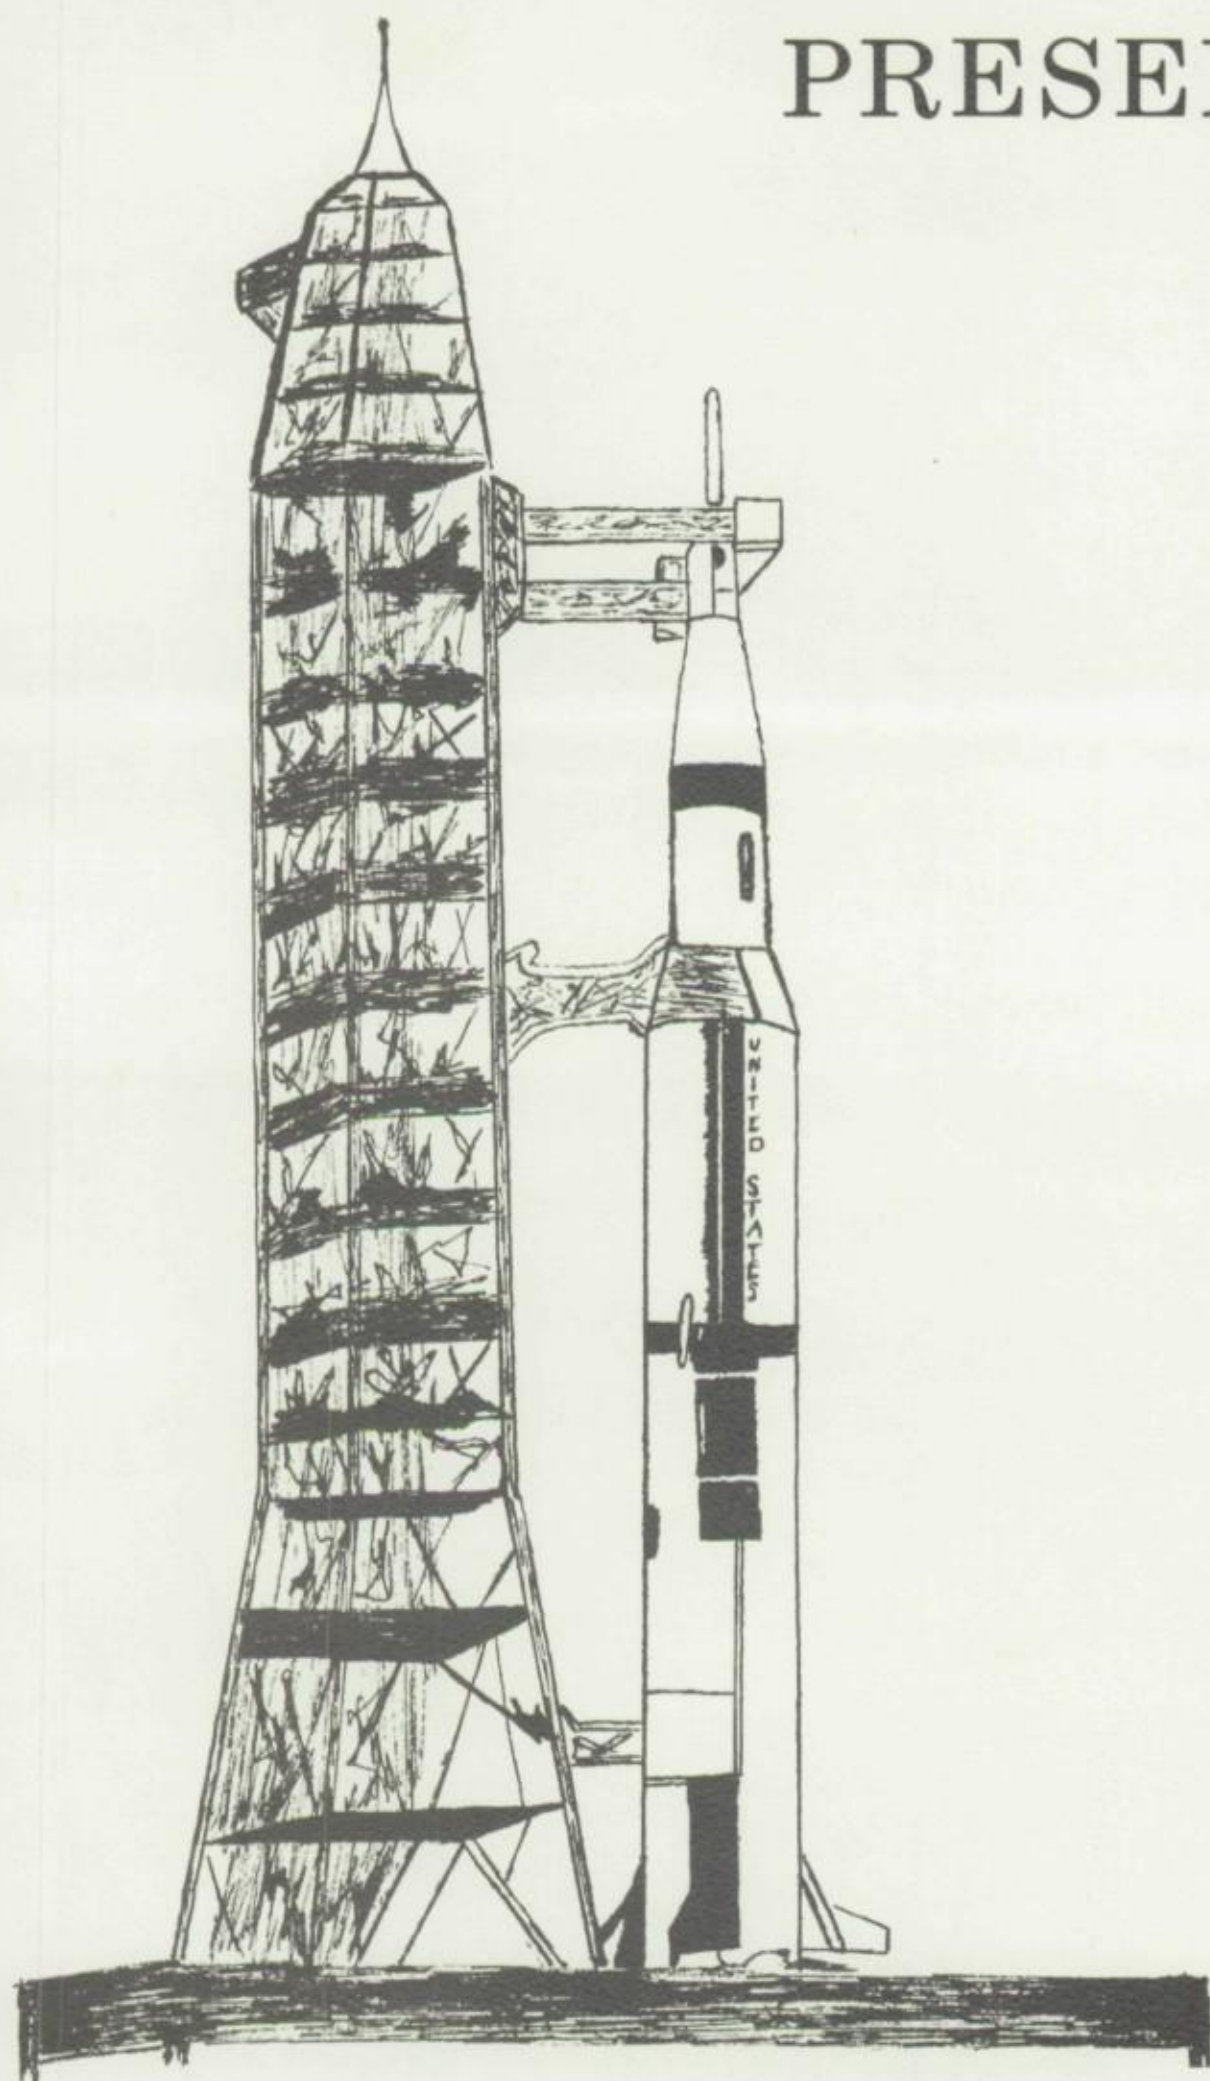

Linda,
So a sweet
girl who's a lot
of fun anytime!
I wish I saw you more
this year but maybe
this summer you'll wish
I can get together. I wish
you much happiness and
keep in touch after graduation.
Love Joanne

Linda Sue,
To a very good friend who
is one of the sweetest girls in
our class. We've had a lot of fun
together like the acid trick in chemistry
and "de right" chant in government and
much more. I'll never be able to forget
how? Best of Luck in all you do & wish
what's his name (Dang)? Seriously, I wish
you all the happiness in the world.
God Bless you and be good.

THE 1970 VIKING
OF MARYSVILLE, MICHIGAN

We Pledge

Our Allegiance . . .

I was born on July 4, 1776, and the Declaration of Independence is my birth certificate. The bloodlines of the world run in my veins, because I offered freedom to the oppressed. I am many things, and many people. I am the nation.

I am 195 million living souls — and the ghost of millions who have lived and died for me.

I am big. I sprawl from the Atlantic to the Pacific . . . my arms reach out to embrace Alaska and Hawaii . . . three million square miles throbbing with industry. I am more than five million farms. I am forest, field, mountain and desert. I am quiet villages — and cities that never sleep.

Yes, I am the nation, and these are the things that I am. I was conceived in freedom and, God willing, in freedom I will spend the rest of my days.

May I possess always the integrity, the courage and the strength to keep myself unshackled, to remain a citadel of freedom and a beacon of hope to the world.

This is my wish, my goal, my prayer in this year of 1970 — and one hundred and ninety-four years after I was b

Counselors Give Advice in Many Fields

Miss Kresin, a counselor at M.H.S. this past year, received her Bachelor of Arts degree in English, history and counseling from the University of Michigan. Miss Kresin was a Senior Class co-ordinator. Also, she was an advisor for the National Honor Society.

Laura Marquardt, co-op student, helped Miss Kresin and Dr. Misenar in their offices this year.

Doctor Misenar had a grand time in his Psychology class.

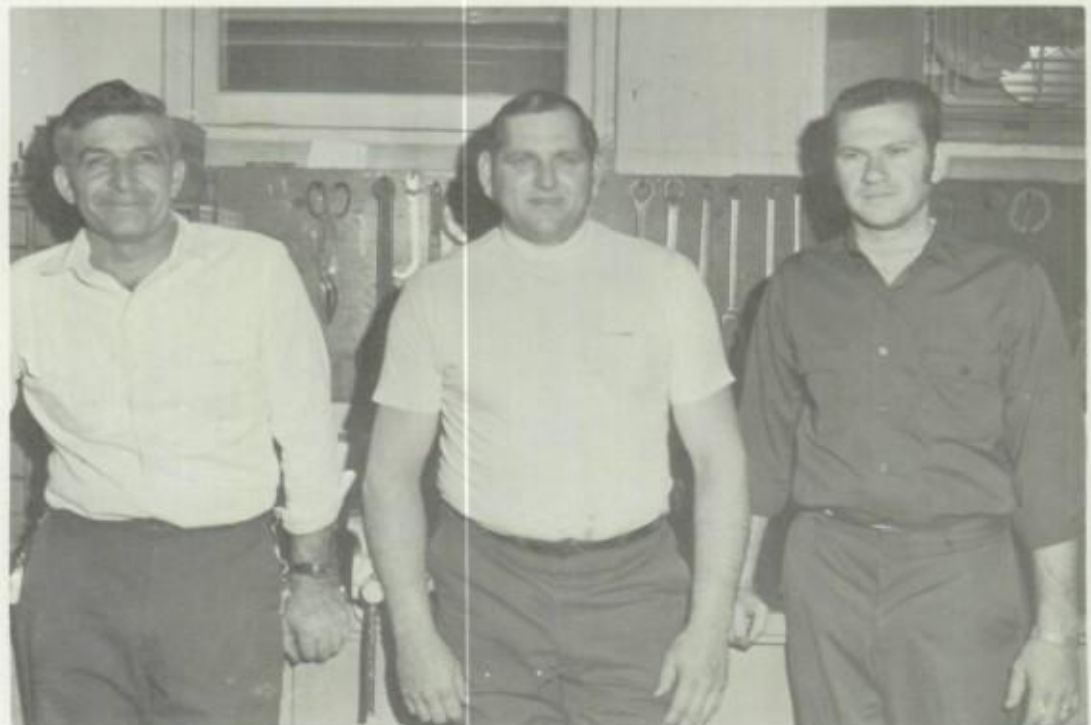

Dr. Misenar taught Psychology and continued as counselor at M.H.S. Doc attended S.C.C.C., Columbia University, Eastern Michigan University, and Michigan State University. From these colleges Dr. Misenar received an Associate of Arts, Bachelor of Science, Master of Arts, and Doctorate degrees in counseling and psychology. Doctor Misenar advised the Ninth Grade Class.

"Would you like to bet on that?" was an expression overheard in Mr. MacDonald's 9th and 12th grade English classes. He started teaching after receiving his Bachelor of Philosophy degree at the University of Detroit, where he majored in English and history. Mr. MacDonald was also the chief advisor for the 12th grade.

New to the staff this year was Mr. Patterson, who taught 10th grade English. He attended Central Michigan University where he majored in English and received his B.S. degree in education. Mr. Patterson was Junior Varsity football coach and also this year's swimming coach in addition to being a 10th grade advisor.

Along with her 11th grade English classes, this year Mrs. Bellow had a yearbook class. She also advised the Viking staff after school. Mrs. Bellow received her B.S. degree from Eastern Michigan University where she majored in English. In addition, she was the 10th grade co-ordinator.

Being assistant Varsity football coach is a big job in Marysville, but Mr. Houck managed it along with his 9th, 10th, and 11th grade English classes. He attended Western Michigan University where he majored in English and minored in physical education. This year Mr. Houck was also the Varsity baseball coach and an advisor for the 9th grade class.

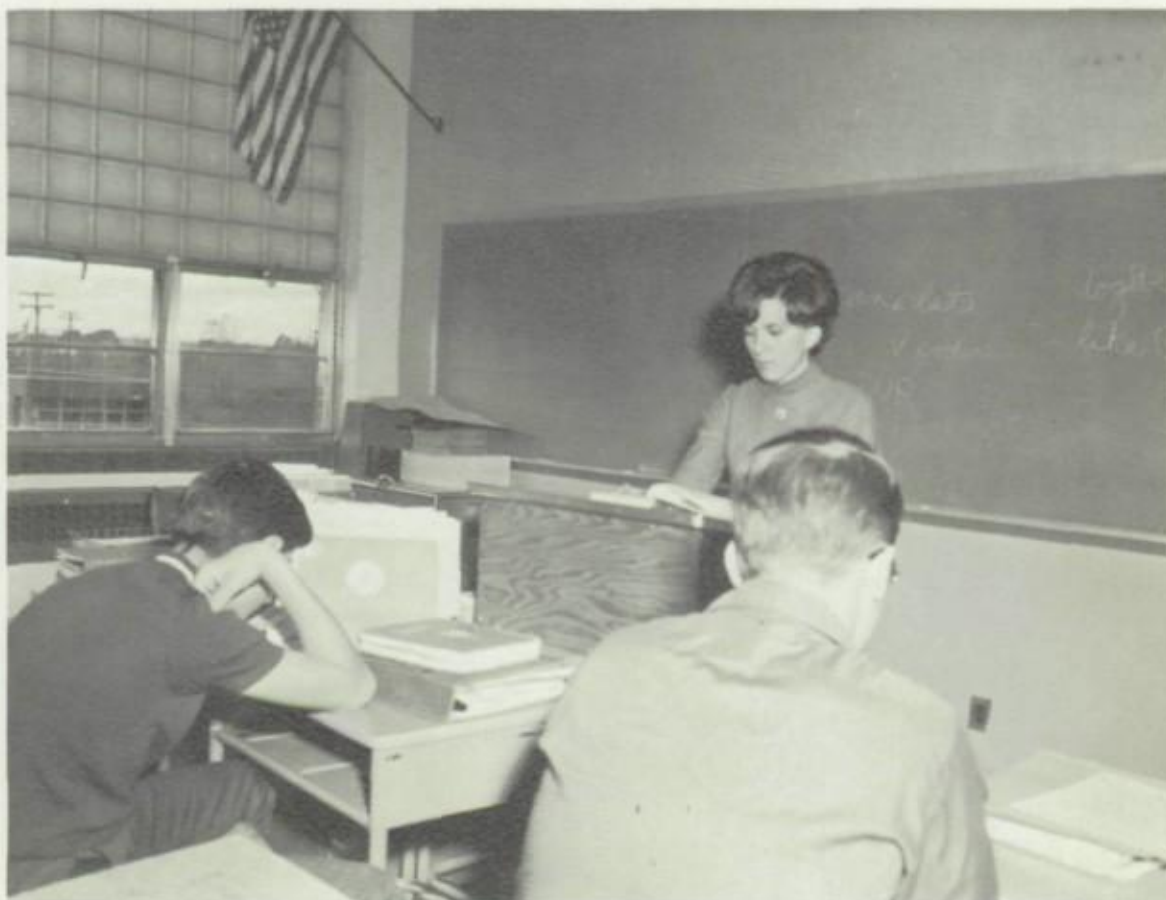

Words are Spoken in Many Ways

Buenos Dias! First and second year Spanish were taught by Miss Vivian. She attended Olivet College, where she earned her B.A. degree, and the University of Michigan, where she received her Master of Arts degree. Miss Vivian also taught the journalism class, directed the *Amplifier* staff, and advised the *Quill and Scroll*. She was an advisor for the Class of '70.

A new face to the Marysville High faculty this year was Miss Arno, who taught first year French and Spanish. She earned her B.A. degree at Western Michigan University. Miss Arno was also an advisor of the Class of 1973. Parlez-vous français?

Would you like to read a good book? See Mrs. Gorham; she will know where to find it. Mrs. Gorham, our librarian, attended Central Michigan University where she earned a Bachelor of Science degree. She majored in English and library science while minoring in history. Mrs. Gorham was an advisor of the National Honor Society and the Junior class during the 1969-70 school year.

Where Would Man

Tomorrow's artists are influenced by today's art teacher. Mrs. McCall has influenced close to one hundred students in her five art classes this year. She attended college at Eastern Michigan University where she received a Bachelor of Science degree. She majored in art and her minors are history and industrial art. Mrs. McCall advised the Art Club, F.T.A. and the Senior class this year.

If you want to give a speech but you don't know how, Miss Yakes is the one to give you advice. Miss Yakes attended college at Western Michigan University in Kalamazoo, Michigan. She majored in English and music, receiving a Bachelor of Arts degree. This year Miss Yakes also coached the Debate and Forensics teams and directed the school plays. In addition to this, she also was a Sophomore class advisor.

Be Without Culture?

Do you want some tips on how to be a great band conductor? Then you will have to see Mr. Salvo or go to Ohio Northern University and University of Michigan where Mr. Salvo attended college. He majored in public school music and earned a Bachelor of Science degree in education plus a Master of Music degree. He taught Instrumental Music, Band and Chorus at M.H.S. and was also a Junior class advisor.

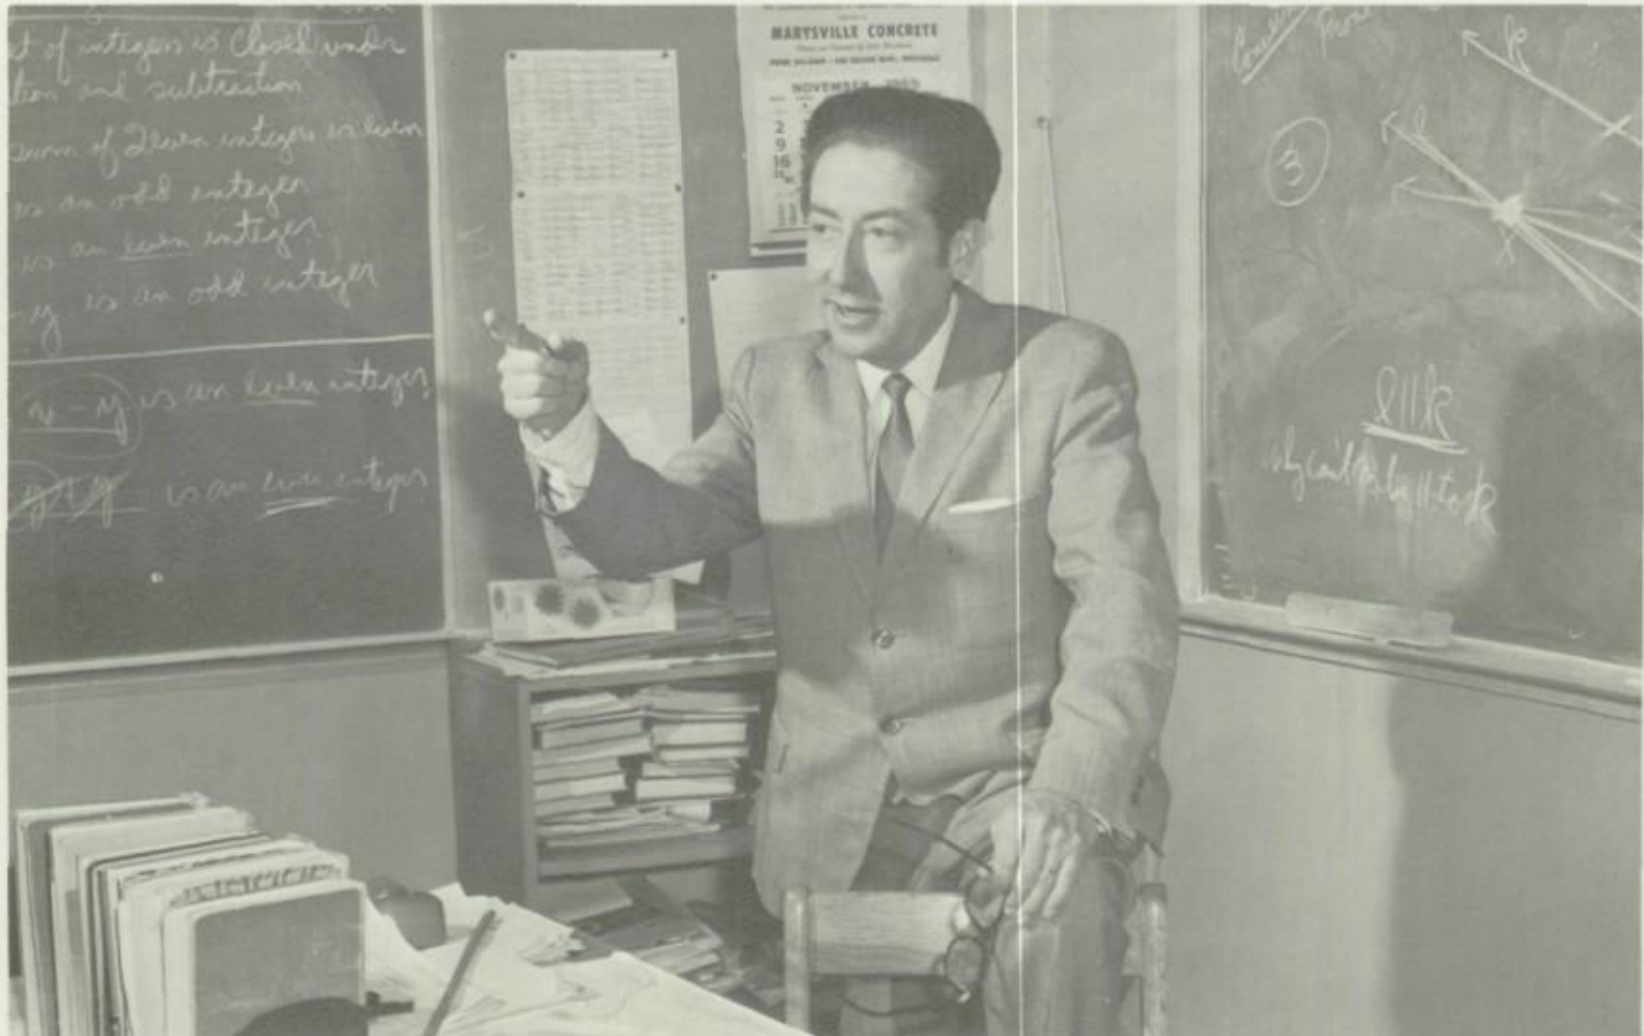

Exercise -

Coaching the Marysville High School cheerleaders was quite a job within itself. Nevertheless, Mrs. Elsholz found time to advise the Freshmen class, as well as conduct classes concerning Algebra, Math 9 and Refresher Math. Mrs. Elsholz attended S.C.C.C.C. and Western Michigan University. Mathematics was her major; biology and earth science were her minors. Mrs. Elsholz earned a Bachelor of Science degree.

This year a new teacher was added to the staff of Marysville High School. Mr. Puskarich, who attended the University of Michigan, earned a Bachelor of Science degree. He majored in mathematics and minored in physical science. Not only did Mr. Puskarich teach Algebra I, Arithmetic 9 and Business Math, he also advised the Freshmen class.

A mere genius, Mr. Yon attended Lock Haven State College in Pennsylvania, where he received a Bachelor of Science degree. He earned his Master of Arts degree from Wayne State University. Other math institutes he attended were at the University of South Carolina, Northern Michigan University and Andrews University, located in Berrien

Springs, Michigan. Mr. Yon majored in mathematics and minored in social studies. Although dedicated to education, he uses his ingenious humor to make his Algebra, Geometry and Trigonometry classes more interesting. The Freshmen class was fortunate to have Mr. Yon as a chief advisor.

Mental and Physical

Bubbling with enthusiasm and spirit, Mrs. Burns enlightened her classes with the fundamentals of field hockey, basketball, football and volleyball. A graduate from Central Michigan University, she majored in physical education and minored in sociology, health education and music. Mrs. Burns earned her Master's degree while she was teaching. She taught girls' Physical Education this year. After the day had ended, she still had enough energy to advise the Girls' Athletic Association.

As coach of the Junior Varsity basketball team and as assistant coach of the Freshmen football team, Mr. Lemire had a great responsibility. He also advised the Sophomore class. Mr. Lemire attended Central Michigan University, where he earned a Bachelor of Science degree. His major was physical education and his minor was history. Mr. Lemire taught the subjects of World History and Physical Education.

Respected by many as one of the finest coaches Marysville has ever had, Mr. Braun coached three major Varsity sports — football, wrestling, and track. He was also the Athletic Director and the Varsity Club advisor. Mr. Braun graduated from Central Michigan University. His major was physical education, and he minored in health education. He taught boys' Physical Education this year. He has two degrees — a Bachelor of Science and a Master of Arts. Mr. Braun was also a Junior advisor.

The Science of

Mr. Martin has a rare talent for brightening his American History classes with his unique humor. He attended Alma College where he majored in physical education and minored in history, earning a Bachelor of Arts degree. Mr. Martin was an advisor of the Junior class this year.

A new addition to the Marysville High faculty this year was Mr. Skrzyniarz. Mr. Skrzyniarz attended Western Michigan University where he received a Bachelor of Science degree. There he majored in history and minored in physical education. This was Mr. Skrzyniarz's first year of teaching ninth grade Social Studies and tenth grade World History. He advised the Class of '72 this year. Mr. Skrzyniarz coached Junior Varsity football and baseball.

This year's Student Council received a great deal of help from Mrs. Blackney, its advisor. She attended Eastern Michigan University where she earned her Bachelor of Arts degree, and Michigan State where she received a Master of Arts degree. Mrs. Blackney majored in history, English, and psychology and minored in political science, guidance, and counseling. The ninth grade had Mrs. Blackney for an advisor and a Social Studies teacher.

If you are interested in America's economic system, Mr. Wheeler has been providing the answers for several years now. He attended Central Michigan where he earned a Bachelor of Science degree, and he obtained his Master of Arts degree from Western Michigan. Mr. Wheeler majored in social studies and this year taught Government, Economics, and Sociology. In addition, he helped to advise the Class of 1970. Each summer Mr. Wheeler also puts in additional hours as a Driver Education teacher.

Man and His Land

We never know if an Einstein will emerge from one of Mr. Stephens' Physical Science, Physics, or Chemistry classes. Mr. Stephens attended Central Michigan, Wayne State and Michigan State University. He has a Bachelor of Science degree and Master of Arts also. This year Mr. Stephens was a Senior class co-ordinator.

Energetic, active, and full of life can all describe Miss Fedraw's attitude towards her teaching at Marysville High School. Miss Fedraw attended Central Michigan University where she obtained a Bachelor of Science degree. There she minored in physical education and majored in biology. Miss Fedraw's classes this year included Beginning Biology and Science 9. She advised the Junior class and took a special interest in advising the Ski Club. At present she is working on her Master's at Wayne State University.

Vocational Arts - -

Mr. Suprenant taught Industrial Education this year and also devoted extra time by being a Senior class advisor. He graduated from Central Michigan University with a Bachelor

of Science degree. While in Mt. Pleasant, he majored in industrial education and minored in biology and agriculture.

One of the teachers not seen much around M.H.S. was Mr. Elsholz, since all of his classes were at the Intermediate School. He taught Mechanical Drawing and Vocational Drafting. He attended S.C.C.C.C., Western Michigan Uni-

versity, and Eastern Michigan University. Mr. Elsholz majored in industrial arts and minored in drafting and metals. He has both Bachelor of Science and Master's degrees. Mr. Elsholz was also a Freshman class advisor.

Mr. Den Uyl taught Vocational Machine Shop and Industrial Arts Machine Shop and was also coach of the Freshmen football team this year. He attended Western Michigan University, where he earned his Bachelor of Science degree, and Wayne State University, from which he received his Master's. He majored in vocational education. Mr. Den Uyl was an advisor of the Sophomore class.

Mr. Philp's study hall has gained him quite reputation around M.H.S. Besides this, he also taught Architectural Drawing, co-op and Related Training, and was also a Junior class advisor. He attended S.C.C.C.C., Western Michigan University and Wayne State University, graduating with Bachelor of Science and Master's degrees. Mr. Philp majored in industrial arts.

A Preparation for the Future

Mr. Harrold graduated from Eastern Michigan University with a Bachelor of Business Education degree. He majored in business education and minored in physical education. He taught Typing I, Bookkeeping, General Business, and was chief advisor of the Sophomore class. Mr. Harrold also coached Junior Varsity football and Freshmen basketball. This was his second year of teaching at M.H.S.

In addition to Homemaking, Miss Mullen also taught Home and Family Living. She graduated from Eastern Michigan University, earning a Bachelor of Science degree. Her major at E.M.U. was home economics, and her minors were English and science. Miss Mullen was an advisor of the Sophomore class.

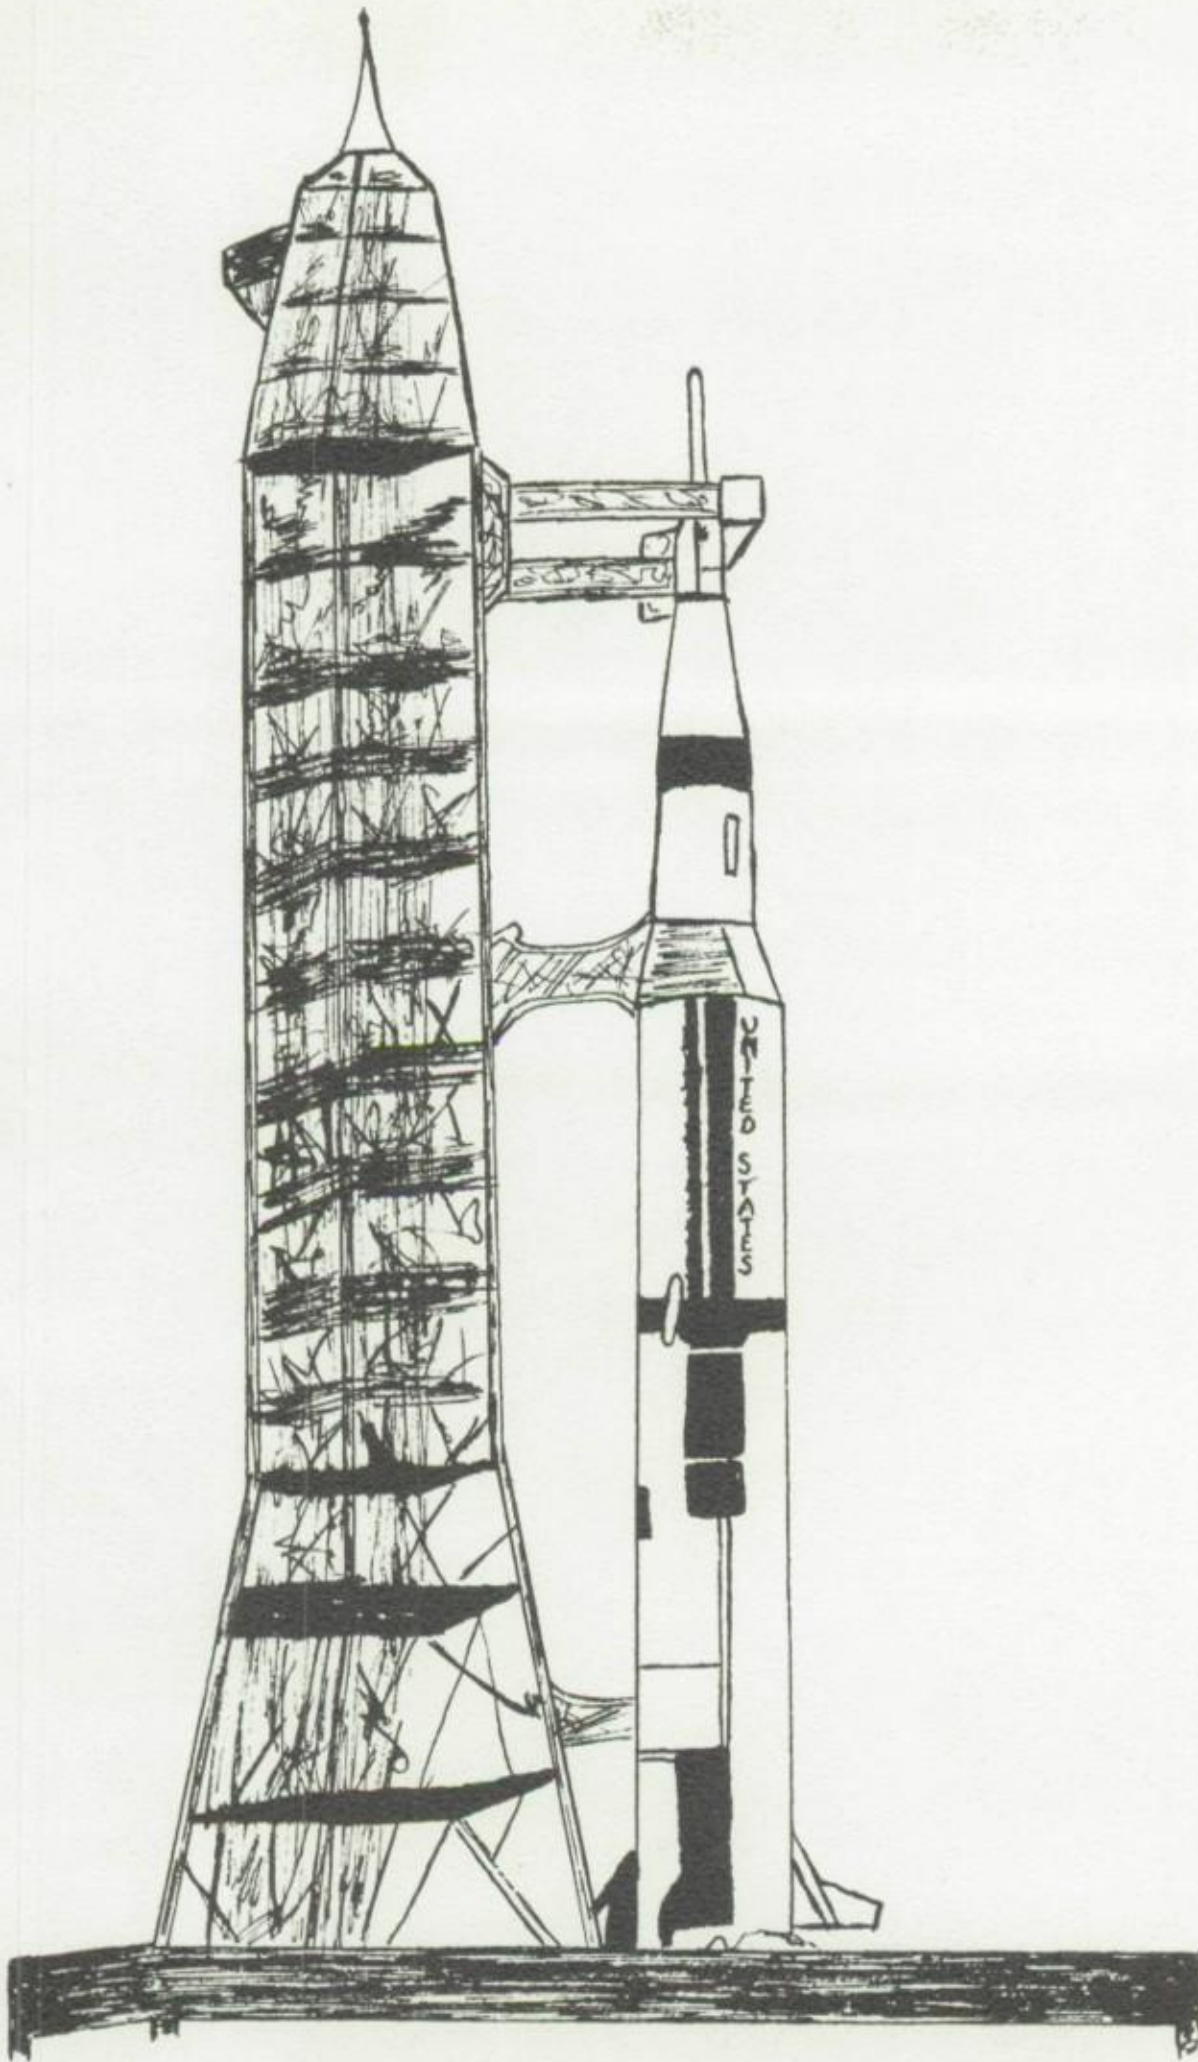

While attending Eastern Michigan University and the University of Michigan, Mr. Collard majored in business education. His minors were mathematics and economics.

Mr. Collard taught Typing I and II, Shorthand, and Office Practice. He has been chief advisor of the Class of '71 for two consecutive years.

The Junior Class was very pleased this year to have Mary Thompson as their representative for the Homecoming Court.

This year, Pat Pavlov handled the Junior treasury while Pam Bryan took minutes at the meetings. Rick White took Ken Borgman's place when he was unable to take the position of our leader.

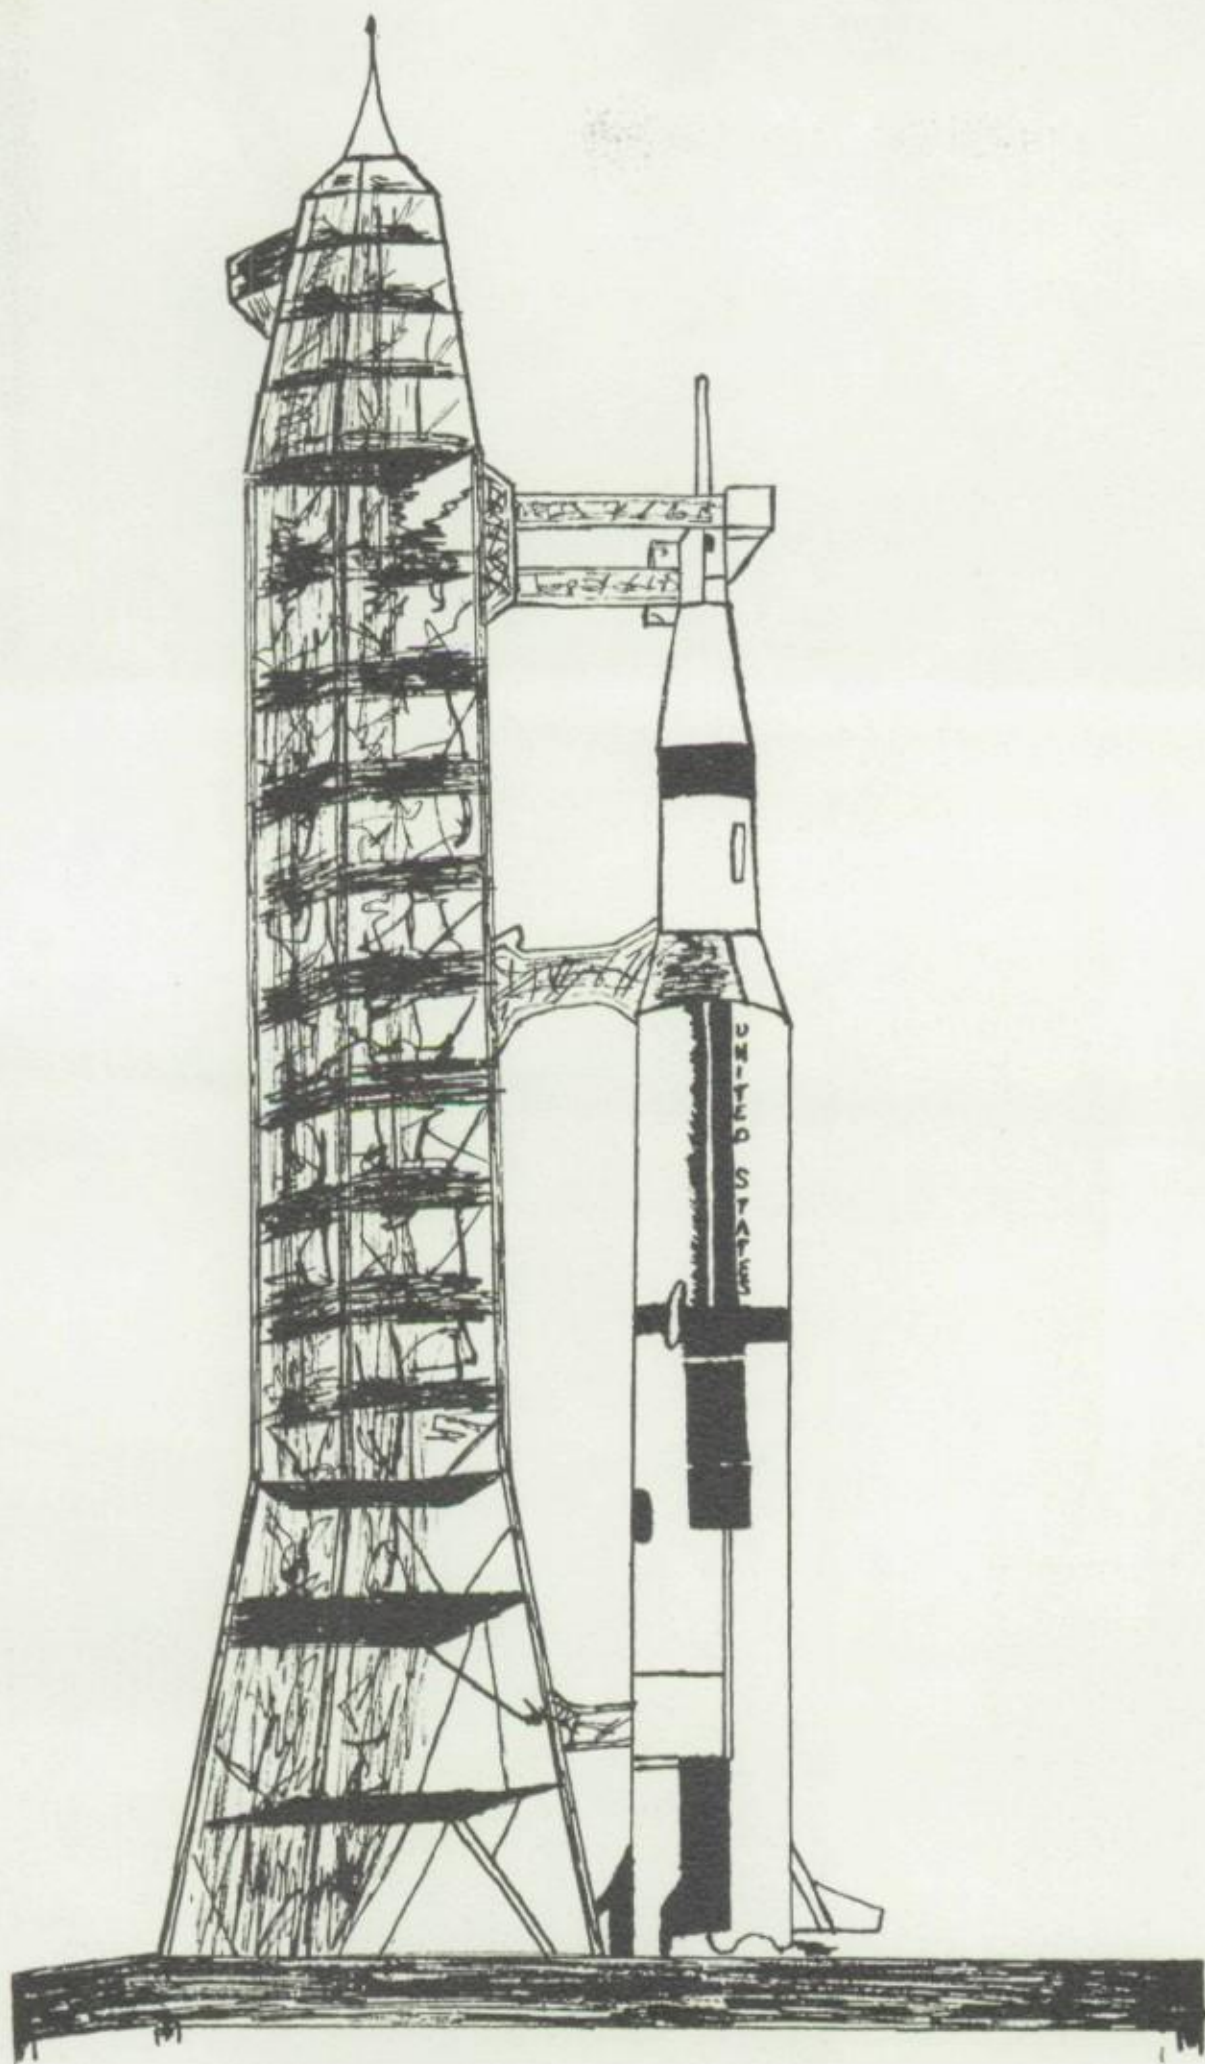

Hard work and long hours produced a 1st place float for the Juniors this year. They were rewarded with a fifteen dollar prize.

Representing the Class of '71 are the Steering Committee. Fourth row: Micki Striker, Diana Phillips, John Hurley. Third row: Mary Thompson, Sandy Vince. Second row: Dawn Ganley, Richard Balinski. First row: Pat Tegge, Russ Cataldo. Not pictured: Dennis Barbe.

First place this year went to the Junior class. All the work was done at Ellen Bowie's garage.

Although this was the first time the Freshmen built a float, they made a fine showing. The initial construction was done at Dondra Fitz's home and then completed in the garage of Melanie and Dave French.

Pat Siemen's house was the site of the construction of the third place Sophomore float.

The Senior float took second place. Many hours were spent on its construction at Karen Kowalski's house.

On Thursday evening, the student body, led by cheerleaders and varsity football players, came to the support of their team on a city-wide Viking March. When the group reached the stadium, the students participated in an evening pep rally for promotion of spirit.

On Friday the afternoon parade advanced through the city of Marysville. The band, the floats, the court, and the cheerleaders were greeted with open arms wherever they went.

At the afternoon pep assembly, held at the conclusion of the parade, the new Viking head made its debut. It was a gift of senior Denise Stevens and was carried on the shoulders of Ken Kowalski. All of the spirit displayed certainly helped our boys because that evening, playing before a capacity crowd, they defeated Chippewa Valley 19-6.

All of these events are part of Homecoming, but the crowning of the queen during half-time ceremonies was the highlight of the evening. Radiant and lovely Queen Yvonne Stark and her court reigned over the dance where "The Dynamic Soul" played.

As the last notes of the band died away, all agreed that Homecoming '69 was one for the memory books.

The Art Club assembled their float at Marcella Rivard's home.

H O M E C O M I N G , 6 9

Leading the parade was the M.H.S. band.

Queen Yvonne and escort Mike Laeder led the Queen's Dance.

Mary Thompson, Junior; Wendy Feick, Sophomore; Laura Marquardt, Senior; Queen Yvonne Stark; Debbie Mieksztyn, Senior; Terri Pavlov, Freshman.

The afternoon pep rally sped our team on to victory.

The 17 M.H.S. cheerleaders led the student body at the pep rally.

The Viking head, a gift of senior Denise Stevens, made its initial appearance at Homecoming.

This year Norma Marks led the majorettes through a very exciting season. The majorettes not only opened all home football games but they also marched in the Good Ole Days Parade in Richmond, twirled at U. of M. Band Day, made history at Eastern Michigan University by participating at

their first Band Day, attended Band Day at Port Huron, and marched in the Blue Water Festival Parade.

Marching with the majorettes for the last time this year were Nadine Ostrander, Jan Lenn, Linda Nicholas, Judy Morris and Norma Marks, drum majorette.

The Student Council opened its year with plans for Homecoming '69 and followed with the Christmas Dance on December 21. "The Case" entertained the Marysville students and their dates.

Marysville took an active part in the St. Clair Area League Student Council and sponsored the December meeting. Junior Mike Kota was vice-president of the League Council.

The Council helped sponsor an exchange student from M.H.S. to a foreign country and assisted with the expenses of two South American students living here during the second semester.

A basketball dance was held March 7 following the last game of the District championships.

Some spring activities included a T-shirt sale, Viking Week and the annual election of next year's Student Council officers.

Our yearbook advisor, Mrs. Bellow, overcame broken cameras, hectic deadlines, tons of copy, and illness to help us produce the '70 Viking.

The Faculty Section and Editor Denise Perry have included action pictures and detailed, story-form copy to make their pages more alive.

The Viking Staff was established as a class for the first time this year. The staff had a better chance to organize its efforts in soliciting patronage and exceeded last year's earnings. Part of this money was used to buy a new camera and a strobe light. They were very useful considering the greater emphasis on snapshots this year. A new filing cabinet and paper cutter were also purchased.

The staff initiated a new money-making project this year. The staff took orders and charged for pictures to be taken at the J-Hop. This no

Chief Editor, Terrie Warsinske, helped mold us into an organized yearbook staff. Business manager, Nadine Ostrander, took care of what she calls the "dirty work." This consisted of paying bills and balancing the books. She also worked on the Senior Section and the school calendar.

only earned the Viking Staff money, but it saved those that attended the trouble of carrying cameras and assured them of good pictures.

Everyone was kept busy planning pages, choosing pictures, and writing captions and body copy. The Seniors worked especially hard to choose just the right quotation for each member of the graduating class.

The **Viking's** theme this year was "Lift Off." This, plus the dedication to our nation, were chosen to reflect the American pride in the achievements of our country.

Staff Keeps Us Informed

Staff routine was planned by Joanne Cole and Denise Perry who co-edited the Amplifier under the guidance of Miss Vivian, the advisor.

Sports department benefited with the addition of Ron Feick and Janette Venia to the Amplifier Staff this year.

Correction fluid is a necessity even for near-expert typists — Pam Bryan and Janet Reid — while Jane Harmon assisted in proofreading.

A good paper must be more than just words. The artistic touch was added by Mary Thompson and Kay Robbins.

There were times when the ink ran thick and the paper thin, but these problems were all in a day's work for Charleen McHenry and Relva Sygit who ran the mimeograph machine.

The Marysville High School Debate Team competed against eleven other schools in our league to obtain a final fifth place standing for the year 1969-70. Schools competing were Romeo, St. Clair, Richmond, Yale, Port Huron Northern, Cros-Lex, Port Huron, Marine City, Anchor Bay, Almont, and Imlay City. The final record for the Marysville High School debaters was nine wins and eleven losses.

Among other activities, the Future Teachers of America worked together with the members of G.A.A. in order to give the Football Banquet for participants in Fall Sports.

For Michigan Week the members sponsored a Tea and displayed a beautiful showcase honoring the teachers of Marysville.

A new club was born at M.H.S. It included students who were enrolled in French I, or who had completed one year of it. Miss Arno, the French teacher, was the advisor.

The club hopefully plans to spend six weeks in France during the summer of 1971. While in Europe, the members would attend school as well as travel.

Patricia Tegge was the treasurer of the club.

Girls' Athletic Association, known to the members as G.A.A., was first organized about 1950. This year the girls have participated in many activities, field hockey heading the list. Practices were held in the fall. Competition with other schools took place later in the season. Some members of G.A.A. also formed a basketball team. Only two tournament games have been played, both against Marine City, and our girls emerged victorious. Mom's and Dad's Nights provided entertainment for the parents, as well as for the G.A.A. girls. Other means of entertainment for the members of G.A.A. were the play nights. The girls had fun playing volleyball or basketball. The pool was also open to those who were interested. This year the Girls' Athletic As-

sociation co-sponsored the Football and the Basketball banquets with the F.T.A. The dinners proved to be successes, as the girls did a fine job preparing and serving the meals. Angel Week added a great deal of Christmas spirit for the G.A.A. members. Names were drawn to determine one's earthling. Good deeds were plentiful throughout the week. At the end of the week, a Christmas party was held. Here gifts were distributed to each earthling's angel and refreshments were served later. All who attended had a great time. A very successful Swim Show was held this year. The long hours of practice proved to be rewarding. All in all, the G.A.A. girls had an enjoyable year.

This year the Vikings compiled a 7-7 record in league play. In all, the team netted 829 points. Completing their stint as varsity cagers were Paul McNichol and Gary Scheffler who captained the team. Paul McNichol was voted Most Valuable Player by his teammates and he also was awarded Best All-Around Performance. Chip Porter won the 1970 Free Throw Trophy, tossing in 63 of 88 attempts from the free-throw line. Mark Neal earned the Most Improved Player Award and the Sportsmanship Award went to Gary Scheffler.

Most important of all, the team showed the entire student body what real sportsmanship is. The individuals played as a team and were determined to fight. The varsity cagers proved that the way in which the game is played is more important than winning.

Returning again this year to coach the team was Don Zulauf.

MHS Salutes

Two Outstanding Trackmen

To prepare for competition in track, Jim Butler ran a 760-mile course which he charted on a Michigan map. It seems to have been worthwhile as he had the record winning time of 10:08.5 in the Anchor Bay Relays. Jim also was undefeated in Dual Meet Competition in the 2-mile run. Placing sixth in State Competition with the time of 9:57.1, Jim set a new M.H.S. record.

With occasional exception, Jim runs up to fourteen miles daily. Jim's personal goals are to break 9:30 and set a state record.

Gary Scheffler was elected captain of the 1970 track team after participating for four years with M.H.S. Gary entered the 1970 track year with a total of 195 points accumulated from his three previous years.

Gary is an outstanding track man, and has taken part in various track events. He participated in the pole vault and until this season, his best height was 11'8". In his sophomore year, he set a record at 11'3". Gary also competed in the high jump in which 5'8" was his best jump. Another event that Gary excelled in was the long jump where he reached the distance of 19'8-1/2". Gary's final event was the high and low hurdles. His best run in high hurdles was 15.7. He also set a sophomore record in high hurdles with the time of 16.7. Gary's outstanding time for the low hurdles was 23.2.

Gary's versatility was greatly valued by M.H.S. and will be sorely missed as "Scheff" leaves with the class of '70.

SPRING SPORTS SWING WITH

John Hurley and Brian McLellan.

Brinton Butler, Brian McLellan, Mark Neal, John Hurley, and Mark Crawford.

Brinton Butler, Mark Neal, and Mark Crawford.

The 1970 tennis team showed great potential this year with many returning lettermen. Their difficult schedule indicates the great skill these boys have acquired from their time-consuming practices after beginning

in the brisk, early spring.

Under the leadership of Coach Ray Martin the team had a quite successful year and they are looking forward to a bigger and better team for next year.

Around the World with MHS

"I made many friends and saw a very beautiful country," was Mike McCarthy's comment of the Danish countryside. Mike stayed with Mr. and Mrs. Eigil Christensen and their two sons, Jens and Nils, in Skive, Denmark. He saw many of the sights of Copenhagen such as the king's palace, the Little Mermaid, and several famous museums.

This past summer Nadine Ostrander spent her vacation in Cubao, Quezon City, in the Philippines. Nadine lived with Mr. and Mrs. Auturo Obscena and their six children. Nadine commented, "I enjoyed my stay in the Philippines immensely. I found the Filipinos to be very warm people."

The Tower of Pisa, Westminster Abbey, Eiffel Tower, and The League of Nations in Geneva were some of the historic buildings that Denise Stevens and Kaylene Keener saw while touring Europe last summer. They visited Italy, Switzerland, France, and England. "An experience I will never forget," stated Denise, and Kaylene added, "I would like to return to live some day."

Our South American exchange student from Montevideo, Uruguay, was Celia Carrasco. She is the daughter of Mr. and Mrs. José Pedro Carrasco and has one sister, Laura, and two brothers, José Pedro, and Ricardo. Celia stayed with Capt. and Mrs. Richard Ostrander and their daughters, Nadine, and Eileen. "I like the United States; it's a great country and the people are very friendly," said Celia of the United States.

Sylvia Sanchez came from Antofagasta, Chile, to spend her second semester here at Marysville. Sylvia is the daughter of Mr. and Mrs. José Sanchez, and she stayed at the home of Mr. and Mrs. Charles McHenry. At home in Chile she has two brothers, José Luis and Felix. Sylvia's comment was, "The United States is a very interesting and beautiful country. What I like most here is the spontaneity and sincerity of the people."

Linda,

Well, we finally made it, especially through this year. But it has been a riot. There are thousands of things to remember about this year and all the years before. How about government class & the survival kit & the day you handed in your paper with the Mr. Wheeler Right Graph attached to it?! Also remember the day we locked the door of your car & couldn't get it open; when we bought cards at Sperry & all the football & basketball games we chatted through. It's been a wonderful experience having you for a friend. You have a cool personality. Course you're also a pretty nut. I mean I think some of it mighta rubbed off on me - that's the only thing that coulda happened in order for my cousins & such to call me a Reck! Anyway, I want to wish you the best of luck and happiness for your future years! You deserve it!! God Bless ya! Love, the "Yapies"

P.S. Come swim in my pool this summer!

Linda

To the nicest and coolest girl on
block. If you ever get tired
of your Mustang I know some-
one who'll take it. Well to gettin'
at time of year to go swim-
ing and I'll have to make
up for all the times I missed
last year. So, Doug and I will
be ready anytime. Take it easy
this summer and take good care
of Doug.

Best of Luck
Wheels

Linda

To a real whing-dong
in Government class who
is always getting me in
trouble. Don't know who
I can bother after ~~we~~ we
graduate. Hope to see
you around this summer,
and don't go around tee-
pering Frank's house
anymore. Good Luck
in the Future
